

Dear Jordan Waggoner,

Ryan and I would just like to thank you for everything that you've done throughout the planning of our wedding and of course our wedding day! It was a blast! My family keeps telling me that you and your sister looked very nice and professional and you did an excellent job in keeping the party going! You helped make our day memorable and if we ever plan an event like that again, you'll be the first we'll call.

Thank you,
Mr. and Mrs. Ryan and Michelle Smith
